108 Portland

This is “The Camden” floor plan, and is very open with all living areas on the main level with a large bonus room and full bath upstairs. Hardwood floors are located throughout much of the first floor as well as wonderful trim work. Some of the features found in the kitchen are raised panel cherry cabinetry, granite surface tops, a large breakfast area, and pantry. The great room has a gas log fireplace with blower, and access to the rear deck that has a gas grill connection. The master suite is very generous in size, has his and her walk-in closets, and great bath complete with ceramic tile, jetted tub, and tile shower. Two additional spacious bedrooms are also present and they share a jack and jill style full bath. A formal dining room and a study/library complete the main floor.
